## Competitor Road Usage Declaration Form 2019

If roads proposed to be used as special stages conflict with an intending competitor's normal lifestyle or business activities, then the competitor must advise the organisers in writing of such when submitting an entry for the rally. The organisers will confirm in writing acknowledging the exact roads of dispensation to the competitor and may also grant written dispensations for other purposes related to the organisation of the event.

Date \_\_\_\_\_ needing to use a road which is being used as a special stage in the  
Catlins Coast Rally 2019
